

Irrigation Designer Opening in San Antonio

Rialto Studio is seeking an Irrigation Designer in our San Antonio office. Candidates who share an enthusiasm for irrigation and an eagerness to solve problems in a collaborative environment are invited to apply. The successful candidate will design a wide variety of irrigation systems and components, including design of large, multi-phase irrigation systems and specification of rainwater harvesting and distribution equipment. Successful candidates will be responsible for designing, documenting, and observing project construction under the guidance of other experienced, licensed irrigators.

Who we are:

Rialto Studio practices a broad definition of landscape architecture, designing projects of multiple types and scales. We embrace a multidisciplinary team approach to problem solving, and have built our success on thoroughness, attention to detail, and an abiding empathy for the character and sense of a place. That approach has yielded a long history of successfully constructed projects, projects that are among Central Texas's most important and enduring places. To learn more about us, visit our website at www.rialtostudio.com.

Qualifications:

- 3-5 yrs. Irrigation experience preferred
- Licensed Irrigator preferred
- Bachelors or Associates degree preferred
- Proficiency in AutoCAD or similar drafting software required
- Ability to meet deadlines
- Willingness to collaborate with a team and learn from other professionals
- Attention to detail
