

## **Graphic Design / Marketing Coordinator San Antonio or Austin**

Rialto Studio is continuing to grow, and we are looking to add a Graphic Designer/Marketing Coordinator with a minimum of 2 years of experience to our team. We are seeking a creative, versatile individual who shares our enthusiasm for good design and teamwork. The successful candidate will collaborate with our team across the two office locations to promote the firm through graphic design, marketing communications, social media and our website. This dynamic role suits visually and verbally oriented candidates and provides a wide variety of exciting projects with other creative people.

### **Who we are:**

Rialto Studio practices a broad definition of landscape architecture, designing projects of multiple types and scales. We embrace a multidisciplinary team approach to problem solving, and have built our success on thoroughness, attention to detail, and an abiding empathy for the character and sense of a place. That approach has yielded a long history of successfully constructed projects that are among Texas's most important and enduring places. To learn more about us, visit our website at [www.rialtostudio.com](http://www.rialtostudio.com).

### **Who we are looking for:**

We are seeking the following qualifications:

- Proficient in Adobe Creative Suite, Microsoft Office (Word, Excel, PowerPoint) and website design and management (Wix experience helpful)
- Outstanding graphic design skills
- Working knowledge of promotion and marketing principles and methods
- Project management skills applied to marketing efforts (e.g., reports or Statements of Qualifications)
- Attention to detail, ability to meet deadlines, and willingness to work as part of a team
- Excellent organization and verbal/written communication skills
- Desire to learn from and collaborate with other professionals
- Familiarity with social media platforms and use for promotional purposes
- Bachelor's or Associate's degree in Graphic Design, Marketing, Advertising or a related field
